Be free with SmartDrive

SmartDrive gives you freedom to do more. It moves with you and it’s so lightweight, you don’t even know it’s there. Yet it can power you up steep hills and through thick carpet. It’s intuitive to use and will go for miles on a single charge. It even has an anti-rollback feature that allows you to stop on a hill and then easily get going again. Turn on, get out there and rediscover your independence!

SmartDrive is lightweight and easy to install. The system weighs only 12.5 lbs and simply attaches on the back of any make and type of manual wheelchair. SmartDrive is also eligible for the Assistive Devices Program (ADP) in Ontario. The ADP device code is WM0001081. For more information, visit www.permobil.ca
